Any item listed here may be borrowed free of charge from the Bureau of Information of the National Society for Crippled Children. Additional literature on any of the subjects discussed will be sent to any interested person upon request.

Articles appearing in this Society's bimonthly magazine, THE CRIPPLED CHILD, or in the bimonthly news letter, THE CRIPPLED CHILD BULLETIN, are not listed in this Bulletin

A complete index for this volume will be issued at the end of the year. Information on periodicals in which articles listed in this issue originally appeared is given on Page 7.

Issued monthly to affiliated state and local societies for crippled children, state agencies engaged in the treatment, education or vocational rehabilitation of cripples, and public or private institutions and agencies having Institutional Membership in the National Society for Crippled Children. Available to others at 50¢ a year.

756. Annual Reports 1944-45 [of American Physiotherapy Association]. The Physiotherapy Review, Sept.-Oct., 1945. 25:5:225-227.

Includes the report of the Representative on the Advisory Committee on Services for Crippled Children. Lists the recommendations of the committees.

757. Association of Orthopaedic Physiotherapists. News Letter, Central Council for Care of Cripples, Aug., 1945. 17:9-10.

The Association was established April 28, 1945, to protect the welfare and interests of those practising orthopaedic nursing with physiotherapy.

758. Automobile Insurance Now Available to All Disabled Drivers. Outwitting Handicaps, 42nd issue, 1945. 11:42:3-4.

759. Automotive Firms to Manufacture Driving Devices for the Disabled Driver. Outwitting Handicaps, 42nd issue, 1945. 11:42:16-32.

760. Ayre, Capt. W. B. Disuse Atrophy of Skeletal Muscle. The Canadian Medical Association Journal, Oct., 1945. 53:4:352-355.

761. Ballard, S. I.; and Miller, H. G. Sequelae of Cerebrospinal Meningitis--An Analysis of Sixty Cases. The Lancet, Sept. 1, 1945. 2:9:273-275.

762. Baruch Report Recommends Improved Veterans Hospitals. Hospital Management, Sept., 1945. 60:3:50-51.

763. Bayer, W. W. What Doctors Know About Arthritis. American Mercury, Sept., 1945. 61:261:322-325.

764. Blaine, Mary. Helping Children Speak. Hygeia, Oct., 1945. 23:10:736-737, 784.

A descriptive account of the work done at the Ohio State University Children's Clinic. Stresses the need for similar work in all communities.

765. Carbon Dioxide for Polio--Inhalations of Carbon Dioxide in Oxygen Have Given Good Results in First Cases Reported. Given Continuously For 24 to 38 Hours After Patient is Admitted. Science News Letter, Oct. 13, 1945. 48:15:227.

766. Casey, Gene. Work and Get Well. Collier's, Sept. 15, 1945. 116:11:26.

Convalescing soldiers from the Army's Cushing General Hospital, Framingham, Mass., are given 90-day furloughs, with extensions, to return to their homes and carry on regular jobs which will speed the recovery of their injured limbs. The Army checks on the benefits.

767. Convalescent Services Division, Office of The Air Surgeon. And Now, Home! Army Air Forces, Washington 25, D. C. [1945] 29 pp.

768. Cooperstock, M., M.D. The Cardiac Program Resume. Michigan's Crippled Children and Disabled Adults, Sept., 1945. 2:3:1,2.

Discusses the rheumatic problem and the Michigan state program for its aid and prevention.

769. Coulter, John S., M.D.; and Smith, Marion G. What Registered Means in Physical Therapy. Hospitals, Oct., 1945. 19:10:62-64.

770. Craig, R. M.; Buroker, F. M.; and Schwemlein, G. X. Artificial Fever-Chemotherapy. Archives of Physical Medicine, Sept., 1945. 26:9:582-589.

Has been successfully employed in therapy of patients with syphilis and gonorrhea. A description of method used.

771. Crippled Children Benefit By New State Legislation. California's Health, July 15 and 31, 1945. 3:1,2:6.

Gives appropriations and aims of legislation in California.

772. Dane, Marcia. The Handicapped Are Employable. Survey Midmonthly, Sept., 1945. 81:9:226-229.

773. Deaver, George G., M.D.; and Brown, Mary Eleanor. The Challenge of Crutches--Standard Crutch Gaits and How to Teach Them. Archives of Physical Medicine, Sept., 1945. 26:9:573-582.

774. Dewitt General Hospital Develops Physical Reconditioning Program for Paraplegic Patients. Reconditioning News Letter, Sept., 1945.

775. The Disabled Ex-service Man. Planning, Aug. 17, 1945. No. 238, 19 pp.

Outline of Great Britain's problem and provisions for meeting it; with attention to industry's responsibility for employing disabled and also proposed provisions for further government assistance.

776. Disabled Veterans Can Be Drivers, Too. Advertising and Selling, Aug., 1945. 38:8:124.

Brief statement about mechanical controls devised to enable amputees to drive automobiles.

777. Dissemination of Poliomyelitis, The. British Medical Journal, Sept. 8, 1945. 4418:323-324.

Results of laboratory tests in England show that virus is most frequently found with persons who have close contacts with paralytic cases.

778. Erickson, Edward. Vocational Rehabilitation With Limited Personnel. Journal of Rehabilitation, Sept., 1945. 11:3:26-30.

Shows what has been accomplished in North Dakota.

779. First Anniversary. The Virginia Rehabilitator, Sept. 1, 1945. 1:12:1.

This issue mainly devotes itself to digesting several articles on epilepsy and also lists several case histories.

780. Floor Plans for An Occupational Therapy Department Prepared at Columbia University Under the Direction of Marguerite Abbott, O.T.R., Division of Occupational Therapy. 1945.

Possible set-ups for occupational therapy units which may be used for either orthopedic, general or rehabilitation centers.

781. Goldberger, Jacques, M.D. Physiologic Fundamentals of SPA Therapy. Archives of Physical Medicine, Sept., 1945. 26:9:558-566.

782. Goodrich, Anne M., R.N. New Facts About the Rh Factor. R. N. A Journal for Nurses, Sept., 1945. 8:12:47,96,98,100.

783. Gore, Lt. Lucy S. A New Trend in Occupational Therapy. Journal of Rehabilitation Sept., 1945. 11:3:17-19.

Stresses the use of occupation as treatment having psychological, physical and vocational functions. Gives case histories as proof.

784. Graves, Susan. Let's Crack the Quacks. Spastic Review, Oct., 1945. 6:3:4.

Danger in trusting treatment to non-recognized professional organizations.

785. Gudakunst, Don W., M.D. Responsibility of the Physical Therapist to the Community. Archives of Physical Medicine, Sept., 1945. 26:9:590-592.

786. Harmon, Lindsey R.; and Wiener, Daniel N. Use of the Minnesota Multiphasic Personality Inventory in Vocational Advisement. Journal of Applied Psychology, April, 1945. 29:2:132-141.

Favorable report on experiences in use of this inventory for disabled veterans at the U. S. Veterans' facility in Minneapolis.

787. Hill, Paul R. Twelve AAF Convalescent Hospitals Called 'Heavens' by Air Men. Hospital Management, Sept., 1945. 60:3:45-47.

788. Homebound Project [in Michigan] Shows Good Promise. Michigan's Crippled Children and Disabled Adults, Sept., 1945. 2:3:3.

789. How to Rate a Disabled Veteran for Proper Placement in a Job. American Printer, Aug., 1945. 121:2:31.

Reports on study made by Dunwoody Industrial Institute in Minneapolis of motion demands of jobs in printing industry. It finds that a substantial number of handicaps do not impair a man's efficiency on more than a dozen different printing plant jobs.

790. Huddleston, Major Ora L.; Winston, 1st Lt. Roberta; and Engelland, 2nd Lt. Miriam. Physical Therapy Procedures Used in the Preoperative and Postoperative Care of Chest Surgery Patients. The Physiotherapy Review, Sept.-Oct., 1945. 25:5:203-207.

791. Iler, Henry C. Labor and Rehabilitation. Journal of Rehabilitation, Sept., 1945. 11:3:9-13.

Illustrates labor's awareness of the problems facing the handicapped worker, and how labor hopes to cooperate with agencies in maintaining and improving vocational rehabilitation.

792. James, Barbara. Bay City Health Camp. Michigan's Crippled Children and Disabled Adults, Sept., 1945. 2:3:1,4.

793. Johnson, Edith M., R.N. Orthopedic Implications in School Nursing Service. Public Health Nursing, Sept., 1945. 37:9:472-475.

Emphasizes the need of a planned educational program in the treatment and prevention of orthopedic conditions.

794. Johnson, Marilyn E. We Must Plan for the Handicapped. The Nation's Schools, Oct., 1945. 36:4:36.

Points out need for architects to recognize the problem of the handicapped in planning school and public buildings.

795. Kellam, Hewson I. J.; and McGoey, Paul F. Review of Fractures and Dislocations of the Carpus. The Canadian Medical Association Journal, Oct., 1945. 53:4:332-335.

796. Kovacs, Richard, M.D. SPA Treatment of Rheumatic Diseases in the United States. Archives of Physical Medicine, Sept., 1945. 26:9:567-573.

A descriptive account of treatments at health resorts and their effects on rheumatic condition.

797. Lennox, William G., M.D. The Epileptic--Who He Is: What He Can Be. Journal of Rehabilitation, Sept., 1945. 11:3:3-8.

798. Lindquist, Claude R. 1945 Survey of Minnesota Handicapped Sponsored by Minnesota Association for Crippled Children and Disabled Adults, 2524 Hennepin Ave., Minneapolis 5. 94 pp. Typewritten.

A comprehensive survey of existing conditions, recommended procedure and treatment in Minnesota. It also lists the public and private resources in the state now available to the handicapped. Included one map showing geographical distribution of crippled children registered in Minnesota.

799. Lustman, Claire R. Adjusting with the Veteran. Federator, July, 1945. 20:7:7-10.

Advice to social workers, especially those in U. S. Veteran's Administration, on helping veterans, including the ill and disabled.

800. McCracken, Lawrence. Who's Handicapped? Outwitting Handicaps, 42nd issue, 1945. 11:42:6-9.

"Pete Gray, baseball's one armed star, packs a terrific inspirational wallop for a lot of the lads who have lost an arm or a leg."

801. Metropolitan Life Insurance Company. There Is Something YOU Can Do About Cancer. 1 Madison Ave., New York, New York. 1945. 8 pp.

A graphic account of cancer development detection and treatment.

802. Michigan Board of Control for Vocational Education. Michigan State Plan for Vocational Rehabilitation. 907 Bauch Bldg., State Office, Lansing 4, Michigan. June, 1945. 36 pp.

803. Modell, Walter. Facts and Fallacies in Heart Disease. Hygeia, Oct., 1945. 23:10:744-745,794,796.

804. National Foundation for Infantile Paralysis, Inc. Annual Report for The Year Ended May 31, 1945. 120 Broadway, New York 5, N. Y. Publication No. 57. 46 pp.

805. Nursing and Physical Therapy Responsibilities in the Hospital Care of Patients With Infantile Paralysis. The Physiotherapy Review, Sept.-Oct., 1945. 25:5:210-211.

806. Occupational Resettlement of the Disabled--Criticism of Government Scheme and Abolition of Pensions Ministry Suggested. British Medical Journal, Sept. 8, 1945. 4418:329.

807. Ontario Society for Crippled Children. Comparative Summary of Camps for Crippled Children. 112 College St., Toronto 2, Ontario. July, 1945.

One-page outline form reviewing 9 camps, 7 in U. S. and 2 in Canada.

808. Peiser, Esther Maria. Psychological Guidance for a Spastic Girl. Spastic Review, Oct., 1945. 6:3:6.

809. People Can Be So Good. Newsweek, Oct. 1, 1945. 26:14:29-30.

News item with pictures of boys with muscular dystrophy.

810. Physical Medicine Begins to Feel Stimulus of Baruch Munificence. Hospital Management, Sept., 1945. 60:3:130,132,134.

811. Pine Tree Camp a Reality. Bulletin, Pine Tree Society for Crippled Children. Aug., 1945. 1:4:1.

The success of the crippled children's camp in Maine.

812. Pitkin, Walter B. The Advantage of Handicaps. The Rotarian, Oct., 1945. 67:4:16-18.

Readable account of a visit to an Army hospital.

813. Plaut, G., M.D.; Barrow, M. Leitch; and Abbott, J. M. The Results of Routine Investigation for Rh Factor at the N. W. Longon Depot--A Report to the Medical Research Council. British Medical Journal, Sept. 1, 1945. 4417:273-281.

814. Poliomyelitis. The Bulletin of the U. S. Army Medical Department, Sept., 1945. 4:3:307-309.

The clinical features, diagnosis, treatment, and methods of control.

815. Program Urged to Study Rh Blood Incompatibility. Science News Letter, Sept. 15, 1945. 48:11:166.

816. Roe, F. Hall. Illinois Senate Votes \$420,000 for Spastics Hospital. The Spot-Lite, Aug., 1945. 3:2:2.

A state hospital for the cure and education of crippled children.

817. Rohret, Cecilia Healy. The Diabetic Child. Hygeia, Oct., 1945. 23:10:750-751, 760-761.

An account of the symptoms told in story form.

818. Rosenfield, Harry N. Legislation Affecting Physically Handicapped Children, The Nation's Schools, Oct., 1945. 36:4:49-51.

Explains various state organizations, state aid, services rendered, eligibility for admission and institutional and home instruction with general health provision.

819. Rutherford, Berneice R. Hearing Loss in Cerebral Palsied Children. Journal of Speech Disorders, Sept., 1945. 10:3:237-240.

An analysis of tests given at the Dowling School in Minneapolis, Minn.

820. Sauer, Louis W.; and Simmons, Kathleen. You and Your Baby--The Contagious Diseases. Hygeia, Oct., 1945. 23:10:754-755,786,788.
821. Schools Approved for Training Physical Therapists By Council on Medical Education and Hospitals of the American Medical Association. The Physiotherapy Review, Sept.-Oct., 1945. 25:5:214-215.
822. Scott, C. B. C. and others. Rehabilitation of Ex-service Men Conference. Industrial Canada, July, 1945. 46:3:314-332.

A group of papers on the Canadian veteran, presented at the 74th meeting of the Canadian Manufacturers Association in June, 1945.

823. Shortley, Michael J. The Severely Disabled. Journal of Rehabilitation, Sept., 1945. 11:3:14-16.

The establishment of a committee on the Rehabilitation of the Severely Disabled by the National Society for Crippled Children and Adults.

824. Shut-Ins Can Vote in Massachusetts. The Open Window, Sept., 1945. 61:9:6.
825. Sister St. Esthers, S.S.J. Common Sense and Speech-Teaching [for the hard-of-hearing]. The Volta Review, Sept., 1945. 47:9:485-486,542.
826. Smith, Austin E. "Cures" For Common Ailments. Hygeia, Oct., 1945. 23:10:749,768,770,772.

Warns against use of drugs in cures of diseases such as epilepsy, cancer, rheumatism, etc., without medical advice.

827. Soto-Hall, Lt. Col. Ralph.. Recent Fractures of the Carpal Scaphoid. Journal of the American Medical Association, Sept. 29, 1945. 129:5:335-338.
828. Spellberg, Major M. A.; and Leff, Lt. Col. William A. The Incidence of Diabetes Mellitus and Glycosuria in Inductees With Notes on Some Problems in Diagnosis. Journal of the American Medical Association, Sept. 22, 1945. 129:4:246-250.
829. Sweigert, Lt. Col. Charles F. Differential Diagnosis and Treatment of Diseases of the Joints. News Letter, AAF Rheumatic Fever Control Program, Sept., 1945. 2:9:12-18.

Includes rheumatic fever, rheumatoid arthritis and psychogenic rheumatism.

830. They Walk Again. Newsweek, Sept. 24, 1945. 26:13:98,101.

Progress in the treatment of paralysis from spinal cord injury and recommended rehabilitation.

831. Tragedy of the Wrong Cylinder. The Lancet, Sept. 1, 1945. 2:9:278-279.

Suggestions on checking the spread of an epidemic and how to recognize symptoms.

832. Vocational Rehabilitation and Education Association, The. School and Society, Sept. 8, 1945. 62:1602:148.

"Rehabilitation advisers and educational counselors who are associated with the Veterans Administration have organized the Vocational Rehabilitation and Education Association..."

833. Ward, Carlos E.; and Schneider, Gwendolen. The Counseling Program of the Veterans Administration. Educational and Psychological Measurement, Summer, 1945. 5:2:125-130.

New Books and Theses in the Loan Library
